- 12.3 These coordinators are also responsible for accompanying Player Escorts into the tunnel for proper line up alongside the players. At this time, coordinators must ensure that Player Escorts are appropriately matched up with players according to height. Should any child appear too tall in comparison to the player he has been lined up with, coordinators must immediately switch this child with another better suited player. This height check is to be treated as top priority and must be performed as soon as the children and players are together in the tunnel to allow enough time for switching in the event that any is necessary.
- 12.4 The coordinators' goal is to ensure that no child obscures the visibility of any player during the line-up ceremony captured on camera. Player Escorts must remain standing in front of players during the ceremony.

13. Positions of Player Escorts and Coordinators

- 13.1 As indicated in the Official Match Countdown, Player Escorts must be in the tunnel at least twenty (20) minutes before the match kick-off. Once the players are in the tunnel, the coordinator will assign one Player Escort to each player or to each team captain only.

- 13.4 Coordinators are allowed to stand alongside the pitch – usually behind the team benches so that they are out of the line of sight – to retrieve Player Escorts from their positions as soon as the UAE PL anthem is finished and to avoid the children getting lost on the pitch.

14. Seating area during the match

- 14.1 Once the Player Escorts complete their tasks and leave the field of play, they will be escorted by the coordinators to their reserved seats where they can watch the match if they wish. - 17.4 Approximately 15 seconds after the start of the anthem, the UAE PL Match Commissioner will signal the Flag Bearers to commence their march onto the pitch in all competitions according to the approved mechanism:

- 17.4.1 Entering the field of play with the FIFA flag through the players in tunnel towards the centerline until reaching the designated location at the center circle line. After having arrived to the designated location, the flag bearers shall turn towards the main stand (see Figure xxx).
- 17.5 To provide good flag visibility on the pitch, the flag is to be held at 45 degree angle to the field (see Picture 6.1) and ...
- 17.5.1 The two children closest to the VIP kneel on one knees (see Pictures 6.2 and 6.3);
- 17.5.2 The back two children stand straight, and extend the hand holding the flag to shoulder level.

In case of using one flag only, flag bearers exit from outside the team bench of the away team (See Figure x). The flags UAE PL must be carried out in the same way that it was carried into the pitch (i.e. at waist level, straight and without any creases). The Host Club must identify and reserve seats in a safe and secure area for the Flag Bearers and the coordinators.

CHAPTER 6: BALL KIDS

19. Mission

- 19.1 The twelve (12) Ball Kids are in place to support all players and officials by enabling them to quickly get the ball back in play. These efforts are critical to ensuring that the game can continue in as fluid a manner as possible.
- 19.2 The Ball Kids must pay close attention at all times in order to be able to provide a ball to the appropriate payer immediately after the ball has left the field. The Ball Kids must be very attentive to the match action so that they know where and to whom the ball should be provided. They also have to ensure that there is only one ball on the field of play at any given time. Very good communication – both visual and verbal – between all the Ball Kids is therefore very important.

20. Match Footballs

- 20.1 For each match, the Club must provide ten (10) footballs. For the ADNOC Pro League/ ADIB Cup, these ten (10) balls must be new for each of the match. The ten (10) balls will be allocated as follows:
 - 20.1.1 One (1) for the referee to start play;
 - 20.1.2 One (1) for the Fourth (4th) Official (to be kept at his table)
 - 20.1.3 Eight (8) for the Ball Kids

21. Role of Coordinators

- 1. One adult is responsible to coordinate the movement and duties of the Ball Kids. These coordinators are responsible to ensure that:

- 21.1.1 The footballs are pumped according to the regulation and to deliver these footballs to the referees dressing room no later than one hundred (120) minutes prior to kick-off of each match;
- 21.1.2 The Ball Kids do not wander around and get lost on and/or off the pitch;
- 21.1.3 The Ball Kids and the footballs are ready in the player's tunnel no later than 20 minutes before the scheduled kick-off time;
- 21.1.4 The Ball Kids, with their footballs, gather in the player's tunnel and into the Youth Programme Room during half time;
- 21.1.5 The Ball Kids perform their tasks according to the procedures and regulations set forth;
- 21.1.6 The footballs are returned to the Club General Coordinator when the match is finished.

22. Positions of Ball Kids and Coordinators

1. As indicated in the Official Match Countdown, Ball Kids must be in the tunnel at least twenty (20) minutes from the match kick-off. Where the Ball Kid is to have a football, he must have this football with him at this point of time.
2. Once the Flag Bearers have exited the pitch, the Ball Kids will jog to their respective positions, in two (2) rows of six (6) (see Diagram 2.1).
3. The position of Ball Kids around the pitch is as per Diagram 2.2.
4. The Ball Kids indicated with green dots will each hold a football in their hands during the match. The Ball Kids indicated in red will not hold a football during the match. Rather, their role is to assist to retrieve the footballs that are out of play. The blue dots in the diagram indicate the positions of the Ball Kid coordinator during the match.
5. Through-out the match, the Ball Kid may either stand or sit on a chair. Whether to stand or to sit, this decision have to apply to all the Ball Kids. If the Host Club decides to provide chairs for Ball Kid to sit, then all the Ball Kids should sit. On the other hand, if no chairs are provided, then all Ball Kids have to stand. Sitting on the track / floor area and/or squatting are not permitted.

6. At half time, all Ball Kids will regroup in the Youth Programme Room where they will receive drinks and snacks. It is very important that they are properly supervised and not playing with footballs on or around the pitch during this time.
7. At the end of the match, the Ball Kids coordinator must ensure that the Ball Kids regroup to hand over the footballs and then proceed to the Youth Programme Room in order to change and get ready for departure. They should not loiter on the field of play around the flash interviews, nor should they enter the player dressing rooms.

23. Further Instructions to Ball Kids

23.1 Giving the ball to a player

23.1.1 When the ball in play has crossed the line and left the field, the Ball Kids who is the closest to the point where the ball left should throw his ball to the player who will restart the play.

23.1.2 The Ball Kids should make sure that a new ball is needed before sending his ball to the field. The Ball Kids should also wait until the player is at the touchline and have eye contact with the player before giving the ball. If the ball that went out is still close enough to the field, it may happen that the player will walk to get the ball back himself.

23.2 Recovering the ball

23.2.1 When the game has re-started, the Ball Kids who has given his ball to the player will run to recover the lost ball and then immediately go back to his position.

23.2.2 If a ball leaves the field of play and rolls all the way to stop outside the lines, but inside the advertising boards, the Ball Kids who gave his ball away for the match to continue should wait until the action goes away from the abandoned ball and then go to get the missing ball when there is no action around. After having recovered the ball, the Ball Kids should return to his position. At no time can a Ball Kids enter the field of play.

23.2.3 In case the ball lands in the stands, Ball Kids should try to get the ball back while staying as near as possible to their designated positions at all times. The Ball Kids should never go to the stands to pick up a ball, but ask the spectators to throw the ball back, without taking any risk. If the spectators do not return the ball, the Ball Kids should go back to his position and wait for a new ball to be brought to him by the club staff.

23.3 Holding the ball

23.3.1 During the match, all Ball Kids have to stand behind the advertising boards, holding the ball in their hands, or with the ball on the floor next to them. It is very important that the Ball Kids does not play with the ball at any time (no juggling, no kicking). The Ball Kids should not be touching the advertising boards with the ball, or leaning on them, or climb over them, they should stay behind these boards, and behind the photographers or cameramen, if any.

23.4 Watching the match

- 23.4.1 In order to be a good Ball Kids, it is important that they follow all the action on the field, even if the action is in the distance. This will ensure that they know exactly what to do with his ball in case it is needed. This is particularly important if they are standing behind the goals (behind the goal line).
- 23.5 Goal kicks and Corner kicks: When the ball crosses the goal line (the line defining the short side of the pitch) there are two possible scenarios, depending on whether the player who touched the ball last is attacking or defending:
- 23.5.1 If an attacking team player touches the ball out of the field over the goal line, the ball will be kicked back into play by the goal keeper. (Goal Kick)
- 23.5.2 If a defending team player touches the ball out of the field over the goal line, the ball will return into play from the corner. (Corner Kick)
- 23.5.3 It is very important that the Ball Kids know where to send their ball in such cases, and for that they have to follow the action. In case of a doubt, they have to look at the referee, who will be showing the place where the action will resume.
- 23.6 Advertising board and LED Board
- 23.6.1 On three sides of the field, there are standing advertising boards or LED boards. The Ball Kids stands behind these boards, without leaning on them or touching them. It is not possible for a Ball Kids to jump over the boards to pick up a ball. They should always run around the boards and use one of the corner gaps to collect balls. Again, the Ball Kids can only do this (walk in front of the advertising boards) at a time when the action is away from this point. If there is action around, the Ball Kids has to wait until it goes away.
- 23.7 Sporting behavior & Fair play

23.7.1 Ball Kids should remain impartial at all times and should not cheer for one or the other team and must respect both teams equally and the referee at all times. Ball Kids should refrain from talking to the players, congratulate them or ask them for autographs or their jersey.
