- 9.4 Participating Clubs are obligated to adhere to the registration procedures announced prior to the commencement of the season for the issuance of accreditation cards, in accordance with the Accreditation Regulations.
- 9.5 The Head Coach of each Club participating in the Competition shall be registered in the records of the UAE Football Association (UAEFA) and shall hold the required licenses in accordance with the applicable Regulations.
- 9.6 Each Club participating in the Competition shall register at least one Assistant Coach in the records of the UAE Football Association (UAEFA), who shall hold the required licenses in accordance with the applicable Regulations.
- 9.7 Each Club participating in the Competition shall register a Goalkeeper Coach in the records of the UAE Football Association (UAEFA), who shall hold the required licenses in accordance with the applicable Regulations.
- 9.8 Each Club participating in the Competition shall register a Fitness Coach in the records of the UAE Football Association (UAEFA), who shall hold the required licenses in accordance with the applicable Regulations
- 9.9 In the event of any change to the Team Officials referred to in Article (9/2) during the season, the Club shall notify the League in writing after completing their registration with the UAE Football Association (UAEFA) through the electronic accreditation system, and prior to the scheduled kick-off of the team's next match in the Competition, in order to ensure the eligibility of the Head Coach and/or Team Manager to assume responsibility during such

match. It is hereby noted that no accreditation cards shall be issued outside the official working hours of the League.

- 9.10 All Clubs participating in the Competition shall comply with the registration procedures established by the UAE Football Association (UAEFA) with respect to the registration of Team Officials. Accordingly, all members of the team's medical staff must hold a valid license (issued by the relevant Emirate) authorizing them to provide medical and healthcare services. Furthermore, in line with the healthcare laws and medical liability regulations of the relevant Emirate, no member of the medical staff may perform their duties prior to obtaining the requisite license from the competent health authority.

Article (10): Teams Arrival & Match Roster

- 10.1 Teams (players and team officials) must arrive at the stadium no later than ninety (90) minutes prior to the scheduled kick-off time for each Competition Match. Teams which fail to comply

with this arrival deadline shall be penalized for failing to comply with the official match countdown in accordance with the Quality Control Procedure (QCP).

- 10.2 Match roster consists of a maximum of (23) players,
- 10.3 The team manager of each participating Club is responsible for approving the duly completed 'Match Roster' on the FA Net no later than ninety (90) minutes prior to kick off. The list shall indicate the following:
 - 10.3.1 The (11) starting Players,

- 17.2 Each Club participating in a Competition Match shall adhere to the kick-off time.
- 17.3 Any Club which delays the kick-off of a Competition Match either at the start of the match or the re-start after the fifteen (15) minute half-time interval (as per Law 7 of the Laws of the Game) shall be fined in accordance with the Quality Control Procedure.

Article (18): Match Schedule

- 18.1 The Executive Department shall determine the schedule for Competition Matches. All matches must be played as per the schedule decided. Notwithstanding, the date or venue of any Competition Match can be changed as may be required by public interest.
- 18.2 If required and possible, all matches of the last three rounds of the Competition will be held in one day at the same time.

- 18.3 In case a club wishes to change the time, date and/or venue of the match, the club must submit, at least one week prior to the Competition Match, its application for the change. The application for change must include the proposed new time and date, the reason for the change, and any

additional requirements set by the UAE PL on a case-by-case basis. The final decision will be at the discretion of the UAE PL.

- 18.4 In the case of a Competition Match being rescheduled to a new venue, the Home Club will be considered the Host Club and shall be responsible for all matters in accordance with relative clauses of the UAE PL regulations.

Article (19): Rest Days and Deferred Matches

- 19.1 When scheduling matches, participating clubs are granted two rest days if they are participating in any local or international competitions, as deemed appropriate

Article (20): Suspension of Matches

- 20.1 If any Competition Match is stopped by the Referee before the end of normal time because of any force majeure or any other incidents such as, but not limited to, the field of play not fit to play, weather conditions, etc., the following procedures must be followed:
- 20.1.1 The match is automatically suspended for the duration of thirty (30) minutes to allow conditions to improve sufficiently to restart the match, unless the Referee decides that the match can be resumed earlier.
- 20.1.2 If the Referee decides to restart the match in accordance with Article (20.1.1) above, the participating clubs have the right to request for an additional five (5) minutes preparation and warm-up time; and
- 20.1.3 If the Referee cannot restart the match after the thirty (30) minute delay the match is abandoned in accordance with Article (21).

Article (21): Abandoning / Postponing Matches or competitions due to Force Majeure or a state of emergency

- 21.1 Abandoning / Postponing Matches:
- 21.1.1 The Executive Management has the right to abandon or postpone a match due to force majeure or any emergency incidents from 24 hours and until at least 3 hours prior to the kick off time.

21.1.2 For the period from 3 hours before match kick off until match kick off time, the referee and match commissioner have the right to abandon or postpone the match. The referee shall wait for a maximum of 30 minutes from the kick-off time before taking a final decision to abandon the match.

21.1.3 In agreement with the Match Referee, the Match Commissioner may delay the match for one hour, in case the decision was taken before no less than one hour prior to the match kick-off time.

21.1.4 In case the emergency happened again after the match kick-off, the referee may wait for an additional 30 minutes based on the evaluation of the emergency, before taking a final decision to abandon the match.

21.1.5 In case of an abandoned or postponed match due to the reason referred to herein above, this match will be played the next day, unless otherwise decided by the UAE PL Executive Department. The whole match will be replayed regardless of the result and remaining time. All yellow and red cards given during the match shall be cancelled. Nonetheless, any offence committed which is due in front of the Disciplinary Committee and/or any additional reports from the referee and/or match commissioner arising from this match shall be maintained and implemented. Further, any player who was not fielded in this match due to suspension, is considered not to have served his suspension (i.e. as if the match had not been played at all).

21.1.6 In case the match was not played on the next day, the Executive Department will determine the date time and venue of the replayed match.

21.2 Abandoning/ not continuing of competitions:

21.2.1 The decision to abandon/ not continue the season and/ or the competition due to a force majeure or a state of emergency shall be taken by the board of directors following official announcements of competent authorities in the UAE.

21.2.2 In the event the decision to abandon/ not continue the season and/ or the competition was before the end of Round 1, the entire season shall be abandoned without crowning a champion, and without any relegation to First Division, and teams ranking shall not be considered for any reason.

21.2.3 In the event the decision to abandon/ not continue the season and/ or the competition was after the end of all Round 1 matches, the final ranking will be according to the ranking when the competition was suspended/ canceled if all teams played the same number of matches. However, if the number of matches was not the same, the final ranking will be according to the results of the last Match Day where all teams played the same number of matches; this result will also determine the champion, the teams that will be relegated, the teams participating in ACL and all other consequences be it financial, administrative or any other consequences. For the avoidance of doubt, an incomplete match day will not be considered for the final ranking.

21.3 The decisions taken under the articles hereinabove may not be objected or appealed before any judicial or arbitrary bodies.

Article (22): Matches Suspended and abandoned due to Power and/or Floodlight Failure

22.1 Where a Competition Match is suspended or abandoned by the Referee due to a power disconnection affecting the floodlights the following procedures must be followed:

Before the match starts:

22.1.1 In the case of a power and/or floodlight failure taking place before the kickoff which cannot be solved within 30 minutes after the scheduled kick-off time, the match shall be postponed and re-arranged at a stadium to be decided by the Executive Department;

After the match has started:

22.1.2 In the case of a power and/or floodlight failure taking place during any stage of a Competition Match which has started and it cannot be solved within 30 minutes:

22.1.2.1 If the visiting Club is winning, the Referee shall end the match and the result shall be decided in favour of the visiting Club (0-3) or if the score is greater, the greater score shall prevail); or

22.1.2.2 If the match is tied or the visiting Club is not winning, the match shall be replayed irrespective of the result and the time of abandonment.

22.1.2.3 In the case of another power failure during the match, the actions taken in Clause 22.1.2 shall be retaken.

22.2 Except in cases of force majeure, if the match is postponed, the host club shall bear all operational costs and commercial losses (if any) incurred by the UAE PL, as well as covering the accommodation and travel costs of the visiting club. A financial penalty of AED 500,000 (Five Hundred Thousand Dirhams) will also be imposed on the host club.

22.3 Notwithstanding Article (22.1.1) and (22.1.2) above, if the power and/or floodlight is disconnected during any stage of a Competition Match played at a neutral stadium or at a match organized by the UAE PL, the Referee shall declare the match to be abandoned and the results of the match will be null and void. Article (21) shall apply.

Article (23): Abandonment of Matches due to Player Expulsion

23.1 If the number of players of any of the Participating Club becomes less than (7) players during any of the competition matches, the referee must end the match and procedures in accordance to the UAE FA Disciplinary Regulations.

Article (24): Withdrawal & Penalty for Failing to Play

24.1 Clubs are committed to playing all competition matches. If any club withdraws from any competition match (either before or during the match), expressly or implicitly (for example, but not limited to, the team failing to arrive on the field in a manner that allows the match to be played according to the regulations before the start of the match), the match will be deemed a forfeit by a score of 0-3, unless the score is higher. The withdrawing club shall bear all operational costs and commercial losses incurred by the League as a result of its

withdrawal, in addition to imposing a financial penalty on the withdrawing club in the amount of (1,000,000) one million UAE dirhams.

24.3.4 During the second Round of the Competition:

24.3.4.1 The Club shall be relegated to the lower division for the following season and be disqualified from participating in the League for the next two (2) consecutive seasons;

24.3.4.2 Shall pay a fine of AED 4,000,000;

24.3.4.3 Shall bear the losses resulting from the forfeiture of the income expected from the commercial contracts, TV transmission contracts and all other expenses resulting from participating in the competition matches before withdrawal; and

24.3.4.4 All of its matches played in the first Round (all points, goals scored and goal against will be counted and taken into consideration when deciding the Competition ranking). All sanctions passed down from the Disciplinary Committee shall remain as well as any yellow or red cards recorded during the above matches; and

24.3.4.5 Have all its matches that was played in the second Round till the point of withdrawal cancelled and considered null and void (all points, goals scored and goals against will not be counted and taken into consideration when deciding the Competition ranking). Nonetheless, any sanctions passed down from the Disciplinary Committee shall remain as well as any Yellow or Red cards recorded during the above cancelled matches.

24.4 In all cases of withdrawal, any financial amounts paid to the club for its participation in the competition shall be recovered, and the club shall be deprived of any distributions granted to clubs based on their ranking in the general competition table.

24.5 The Board of Directors shall take decisions in cases where Participating Club withdraws from the competition due to force majeure and exceptional circumstances.

Article (25): Replacing the Withdrawing Club

25.1 If any club withdraws from the competition pursuant to article (24), the Board of Directors of the UAE PL board shall decide on an alternative club to participate in the Competition provided that such club fulfills all requirements of Participating Clubs.

Article (26): Playing Field

26.1 Clubs are responsible for ensuring that their field of play is maintained in good condition in order to help facilitate the playing of Competition Matches to the highest quality to enhance the technical standard of play. If the field of play is not in the best condition, or in a condition that may affect the quality of TV production and broadcast of the match, and the quality of viewership, the club shall, on the request of the Executive Department, provide an alternative stadium. In the even where the club does not provide an alternative stadium at least one week prior to the match day, the Executive Department reserves the right to change the venue for the match. In such cases, the Host Club is responsible for all related costs as a result of the match being moved to the new venue.

26.2 If the club does not perform the required maintenance of the field of play, the UAE PL may appoint a company to perform the needed maintenance at the expense of the club. In all cases, the UAE PL has the right to deduct the maintenance costs from the club dues.

26.3 The Host Club shall ensure that no activities are held on the field of play from forty-eight (48) hours prior to the kick-off of the match. In case of on non-adherence to this, a QCP shall be imposed on the club. The UAE PL has the right to change the venue and charge the host club all resulting costs.

26.4 In case the club holds any activities in the stadium outside the period mentioned in Article (26.3) herein above, the club shall notify the Executive Department with this, and shall ensure that such activities and events will in no form affect the pitch and/ or

the stadium facilities. In case of non-adherence to this, a QCP shall be imposed on the club.

- 26.5 Field of play markings must be in accordance with Law No. (1) of the Laws of the Game. It is the responsibility of the Club to guarantee that field of play is clearly marked according to the Laws of the Game and the UAE PL Pitch Marking Manual approved by the UAE PL. After the markings are approved, the club may not change the markings unless it secures the written approval of the Executive Department of the UAE PL.
- 26.6 Upon arrival at the stadium, the Match Commissioner and the Referees shall inspect the stadium and field of play and ensure that all arrangements are in accordance with the Laws of the Game and all of UAE PL's relevant regulations. If the conditions of the Field of Play (including goal dimensions and the pitch) do not comply with the Laws of the Game and/or all of UAE PL's relevant regulations, the Match Commissioner and/or the Referees shall immediately issue relevant instructions to the Host Club to rectify the situation.
- 26.7 If fifty (50) minutes prior to the kick-off Article (26.6) is not complied, a fine of 50,000 AED will be imposed on the club according to the Quality Control Procedures (QCP). In case the necessary amendment was not implied until 15 minutes prior to kick-off time, the match will be abandoned and the Away team wins (3-0).
- 26.8 The Host Club may water the pitch in the following times:

- 27.6 Match officials on the team bench are not allowed to access any TV footage of the match and/ or use the electronic communication tools for the same purpose. However, and for purposes related to the safety and security of players and/or tactical or coaching purposes only, match officials are allowed to use mobile phones, tablets and walkie-talkies. The match commissioner have the right to confiscate any of this electronic equipment in case of any misuse. In addition, the Match Referee has the right to take further actions.
- 27.7 If at any time the number of the persons sitting on the bench exceeds that allowed under Article 27.4 above, then the responsible Club shall be fined in accordance with the Quality Control Procedure (QCP).
- 27.8 If at any stage during a Competition Match one or more people related to one of the participating Clubs who are not registered on the team officials list refuse to leave the field

of play (pitch area, team benches, technical area or any other place around the field of play) after instructions from the Referee, the result of the match shall be considered as 3-0 in favour of the other team or if the score is greater, the greater score shall prevail. Moreover, the Referee shall abandon the Match and the responsible Club shall be fined in accordance with the Decision of the Disciplinary Committee.

27.9 As soon as they arrive to the stadium, all team officials shall wear the club official kit or the official kit. In case of non-adherence, the club shall be penalized in accordance with QCP.

27.10 All team officials and players seated on the bench must wear club official kits that are contrasting with the colours of the players and Referees on the pitch, except for the Head Coach and the administrative team. In case of non-adherence, a penalty will be imposed in accordance with QCP. In addition, team officials and players seated on the bench must wear bibs when instructed by the Referees.

27.11 Team benches on the left side (when facing the pitch) are designated for the Host Team while the team benches on the right side (when facing the pitch) are designated for the Away Team.

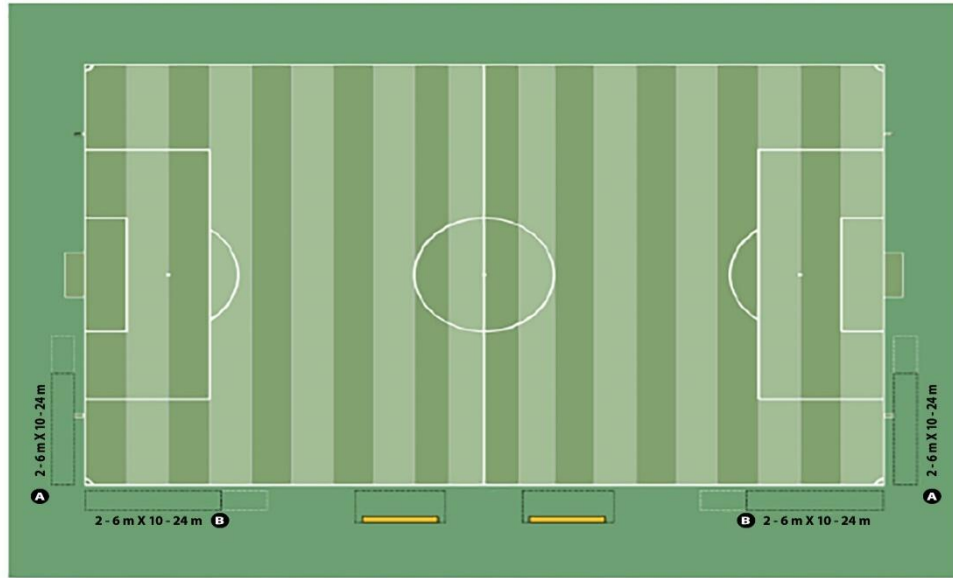

Article (28): Official Training Sessions

28.1 There are no official training sessions for the visiting team unless otherwise determined by the Technical Committee.

Article (29): Warming Up

29.1 Before the match starts

- 29.1.1 Teams shall be entitled to warm up on the field of play before the match if the weather permits (as determined by the Match Commissioner). The warm up shall start from 50 minutes before kick-off of the match and shall end at the latest 20 minutes before the match starts.
- 29.1.2 In Case of any obstacles on the pitch, the match commissioner shall specify warm-up location.
- 29.1.3 Teams are not allowed to warm up earlier and/or later than the above-mentioned times. Teams which fail to comply with the official pre-match warm up timings in Article 29.1 above, shall be penalized for failing to comply with the official match countdown in accordance with the Quality Control Procedure (QCP). The teams may decide not to warm up if they wish.
- 29.2 During the match:
- 29.2.1 Substitute players must wear warm-up shirts in a color distinct from the team's kit.
- 29.2.2 The warm-up area should be made of natural grass or high-quality artificial turf approved by the FIFA, with a recommended size between 2 to 6 meters in width and 10 to 24 meters in length.
- 29.2.3 The warm-up area for substitute players should be located behind the LEDs behind the goal, if space permits. The boundaries of the warm-up area should be marked on the side closest to the team's bench (as shown in the attached diagram). Up to nine (9) players from each team are allowed to warm up simultaneously, assisted by a maximum of two (2) team officials without using a ball (except for the goalkeeper).
- 29.2.4 If the space behind the goal does not comply with the dimensions specified in item 29.2.2, substitute players must warm up in an area adjacent to their team's bench, according to the dimensions specified in item 29.2.2. In this case, a maximum of four (4) players from each team are allowed to warm up simultaneously (without using a ball), and they may be assisted by one team official.

Article (30): Match & Training Balls

- 30.2 The pressure of the footballs shall be set between 0.8 bar to 1.0 bar. The footballs shall be placed in the referee's room at least 120 minutes before the start of the match. The referees shall ensure that this procedure is completed.

Article (31): The Stadium

- 31.1 The stadium shall be inside the UAE and it should be one of the stadia already approved by the UAE PL. In addition, the stadium shall meet the requirements as per criterion (I.01) of the UAE Club Licensing Regulations, and any other relative regulations of the UAE PL. All Participating Clubs must name at least one stadium that fulfills all requirements set forth in the UAE PL Stadia Regulations at least ninety days before the start of the first match in the Competition. Any renovations on the nominated stadium

must be finished at least thirty days before the first match in the Competition. Stadia may only be used if approved by the Executive Department of the UAE PL.

- 31.2 The Board of Directors may grant an exception to specific structural criteria in the UAE PL Stadia Regulations in cases of particular hardship or structural impossibility to meet the required criteria; and upon reasoned request.
- 31.3 The club must play all its home matches at the same stadium. In the event where the club's home stadium is not ready before the beginning of the season and the club is unable to play its home matches on this stadium, the club must notify the Executive Department no less than 21 days prior to the start of the season. The notification must include the alternative venue, a copy of the written agreement with the venue owner, and the reason for this change. In addition, the nominated venue must be among the stadia approved by the Executive Department of the UAE PL, and the final decision with this regard will be upon the sole discretion of the Board of Directors of the UAE PL.
- 31.4 If a Participating Club decides to change its stadium once the League Season has started, it shall notify the Executive Department at least one week before the intended match day to be hosted at the new stadium. The application for change must include the name of proposed new venue, the reason for the change as well as agreement from the stadium owner. In case of change of venue, the proposed venue should be from the list of stadia already approved by the UAE PL. In addition, all costs related to changing the stadium shall be borne by the Participating Club.
- 31.5 In cases where circumstances prevent the club from playing one or more matches at its own stadium, the club must immediately notify the League's Executive Management, providing the proposed alternative stadium, a copy of the agreement with the owner of the alternative stadium, and the reason for the change. The home club shall bear all rights and obligations related to organizing the match, and the alternative stadium must be approved by the Executive Department. The final decision in this regard shall be at the discretion of the UAE Pro League.
- 31.6 Each club must make its stadium and pitches available to the League's Executive Management upon request, provided that the request is sent by the Executive Department

at least seven days prior to the date on which the League requires use of the stadium. The notice period may be reduced in cases deemed appropriate by the Executive Department.

- 31.7 In case the club does not own its Home Stadium, the club shall guarantee the application of the provisions of article 31.6, in the contractual relation between the club and the owner of the stadium. The UAE PL bears no extra costs other than those related to the match operations.
- 31.8 The Executive Department may carry out stadium inspections at any time before and/or during the competition to check whether the stadium meets the criteria in the UAE PL Stadia Regulations.

Article (32): Players' Equipment

- 32.1 Participating Clubs must comply with the Equipment Regulations approved by the Board of Directors and the UAE FA Board of Directors, which govern the apparel and equipment worn by players and officials in Competition Matches.
